TRINITY PRESBYTERIAN CHURCH - ELECTRONICS ADDENDUM

This Electronics Addendum will help ensure the proper provisioning of Church-supplied Electronics and Electronics Services during the rental period. This Addendum covers Electronics or Electronics Services desired by the Applicant and provided by the Church. It is Church policy that only Church staff use and manage Church Electronics; Applicant may operate classroom audio-visual systems and Karaoke machines. Applicant may provide their own Electronics per Section 7.11 of the Agreement.

1. The Church Staff is required to operate Church audio/sound, visual, and Livestream equipment associated with the Great Hall, McCoy Chapel, and Joplin Hall. Applicant is not permitted to operate Church equipment at any time.
2. The Applicant may operate a karaoke machine in any location.
3. The Applicant may operate any of the audio and visual systems in Classrooms 301, 302, 303, 304, 305, or any of the audio-visual rolling carts. Applicant will NOT move any parts of these systems including remote controllers from their assigned location. Applicant will seek assistance from Church Staff if encountering usage issues.
4. **Please indicate all microphone locations on the map below.**
